

## Science Communication: Research and Teaching Across Contexts

Join us for a pre-conference workshop to focus on science communication on **Wed. 11/20** from **8 am to Noon** as part of the 2013 National Communication Association Conference (NCA) in Washington, D.C.

The goals of this workshop are to:

- 1) Share research from leaders in the field
- 2) Improve the network of science communication scholars and practitioners
- 3) Enhance science communication pedagogy within and outside communication departments and programs
